Overall Length:

5.25 inches

Overall Height:

2.40 inches

Overall Width:

1.31 inches

Material Thickness:

0.1875 inches

Hole Quantity:

2

Angle:

90.0 degrees

Product Name:

Brkt, stdf 5.25x2.40x.19 90

Special Features:

See drawing for further details

Material:

Steel

Material Specification:

Astma36 assn standard single material response

Style Designator:

Angle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
