Overall Length:

12.000 inches

End Application:

1925-01-473-2285 warping tug

Overall Diameter:

Between 0.498 inches and 0.502 inches

Product Name:

Rod stock

Special Features:

Tensile strength psi 80000; yeeld strength psi 35000

Material:

Steel comp 316

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
