Overall Length:

2.437 inches

Overall Width:

0.75 inches

Material Thickness:

0.046 inches

End Application:

2355-01-616-9288, mine resistant vehicle

Loop Inside Diameter:

1.5 inches

Product Name:

Loop clamp

Special Features:

Oem could not be identified.

Material:

Steel

Material Specification:

Galanized steel assn standard all material responses

Style Designator:

Single loop

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A12700
