Overall Width:

8.7188 inches

Overall Length:

13.5 inches

End Application:

Towing gear x

Material Diameter:

0.4375 inches

Product Name:

Link, detachable

Special Features:

Has a proof load of 403000 pounds. Has a breaking load of 610000 pounds. Link comes with a hairpin.

Material:

Steel comp 4340 or steel comp 8640h

Material Specification:

Astm a322 assn standard all material responses

Style Designator:

Regular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A548p0
