Width:

1.80 inches

Deflection At Static Load Rating:

0.74 inches

Product Name:

Wire rope isolators wr6 series

Special Features:

Operating temperature range: -150°F to 500°F; through holes: .272; thread: 1/4-20 unc; reduced number of loops available

Height:

1.60 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A535s0
