**Width:**

1.80 inches

**Deflection At Static Load Rating:**

0.74 inches

**Product Name:**

Wire rope isolators wr6 series

**Special Features:**

Operating temperature range: -150°F to 500°F; through holes: .272; thread: 1/4-20 unc; reduced number of loops available

**Height:**

1.60 inches

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A535s0
