Corrosion Preventive Anode - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5340-01-645-5046

Width Across Flats:
1.500 inches
Length:
Between 15.75 inches and 17.00 inches
Mounting Method:
Threaded plug
End Application:
Niin 013983856 modular causeway, ferry
Drive Type:
Hexagon
Core Surface Treatment:
Zinc
Material And Location:
Zinc anode
Product Name:
Anode
Supplementary Features:
Rod diameter 0.840 inches
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A25200
