Special Features:

Insulation resistance 500v for 1 min resistance >5m; voltage withstand 3000v for 1 min; full rated current and voltage; temp range -25 degrees c to +80 degrees c; temp resistance up to 1 hr +100 degrees c; self extinguished

Material:

Plastic polyamide and copper

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A539u0
