Thread Direction:

Right-hand

End Application:

2355-01-481-8580; light armored vehicle

Overall Diameter:

3.5 millimeters

Product Name:

Subassembly, translation stop

Special Features:

Includes support plunger, compression spring, short pin, plunger guide barrel, plunger pin, slotted rolled pin, body, loctite threadlocker

Shape:

Round

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
