End Application:

Aircraft support (zone 195)

Closed Enddiameter:

1.198 inches

Product Name:

Cap, protective pressure and dust

Special Features:

Nha-plumbing instl-grd press, fr27-fr28b, z195

Material:

Aluminum alloy

Material Specification:

Ams4120 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539u0
