Width:

6.000 inches

Thickness:

1.500 inches

Length:

8.000 inches

Mounting Hole Diameter:

0.750 inches

Mounting Hole Quantity:

4

Mounting Hole Type:

Counterbored

End Application:

Barricade stanchion latch assembly

Cushioning Material:

Rubber, chloroprene

Product Name:

Bumper pad

Material Specification:

Astm d2000, bc assn standard single material response

Shape:

Horizontal rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T141-e
