Overall Length:

0.350 inches

Overall Width:

0.330 inches

End Application:

4210-01-622-0440; truck, fire fighting

Product Name:

Seal plug gxl

Special Features:

Material: heat resistant nylon; temperature range: -40 degrees celsius to 125 degrees celsius

Material:

Nylon body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02000
