Overall Length:

216.000 inches

Overall Width:

0.240 inches

End Application:

1430-01-648-5832

Product Name:

Grommet, cushion composite edging

Color:

Green

Material:

Stainless steel

Material Specification:

Ams5517 assn standard single material response or ams5903 assn standard single material response

Shape:

Irregular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A560q0
