End Application:

Kc-46a se

Safe Operating Load Rating:

1000.0 pounds

Material And Location:

Steel body

Surface Treatment And Location:

Zinc plated body

Wheel Diameter:

6.00 inches

Effective Height:

7.50 inches

Features Provided:

Brake lock

Tread Width:

2.00 inches

Product Name:

Caster

Style Designator:

Swivel offset

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A25600
