End Application:

Kc-46a se

Safe Operating Load Rating:

350.0 pounds

Material And Location:

Steel frame and steel wheel rim and rubber tire

Surface Treatment And Location:

Zinc frame and zinc wheel rim

Effective Height:

10.05 inches

Caster Plate Width:

5.00 inches

Product Name:

Caster, rigid

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A25600
