Overall Length:

3.187 inches

End Application:

C130 aircraft

Product Name:

Pulley guard pin

Special Features:

Goes with nsn 3020-00-227-1119 pulley, groove p/n ms20219-4 per mil-dtl-7034/1; material is 2117 aluminum rivet wire per mil-w-7986; anodize per mil-a-8625 or iridite per mil-c-5541; fit for temp range of minus 65 degrees f to plus 200 degrees f

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
