Width:

4.950 inches

Edge Shape:

Rectangle, no holes

Length:

4.380 inches

Corner Radius:

1.000 inches

Securing Device Type:

Hinge

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, t3 federal specification single material response

Fsc Application Data:

Gear box, oil filler cap, helicopter

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A531n0
