Nonmetallic Hardness Rating:

30 durometer hardness rating

Thread Size:

1/4-20nc-2a all threaded portions

Major Outside Diameter:

1.000 inches

Stud Length:

0.500 inches all threaded stud

Distance From Flange To End:

0.750 inches

Material:

Copper alloy

Surface Treatment:

Cadmium

Style Designator:

Round w/flange threaded stud

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A535s0
