Thread Direction:

Right-hand

Outside Diameter:

0.625 inches

Length:

1.250 inches

Mounting Method:

Threaded end

Material And Location:

Zinc

Construction:

Solid

Special Features:

Furnished with packing, preformed

Style Designator:

Rod type no core

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A25200
