Flange Thickness:

0.187 inches

Thread Size:

1/4-20unc-2b all threaded portions

Distance Between Mounting Hole Centers:

1.937 inches

Flange Length:

2.375 inches

End Application:

Stratofortress b-52; stratolifter c/kc; hercules c-130; starlifter c-141; viking s-3b; f-16 aircraft; p-3 orion

Flange Width:

2.375 inches

Stud Length:

0.562 inches all threaded stud

Shortest Distance Between Mounting Hole Centers:

1.937 inches

Flange Mounting Hole Diameter:

0.201 inches

Special Features:

Weapons system essential

Height:

1.706 inches

Material:

Steel spring

Style Designator:

Round spring compression four-hole flange

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A535s0
