Thread Size:

0.250-20unc-2a all threaded portions

Major Outside Diameter:

1.000 inches

Stud Length:

0.500 inches all threaded stud

Distance From Flange To End:

0.531 inches

Special Features:

Resilient materials: rubber natural

Material:

Steel

Surface Treatment:

Cadmium

Style Designator:

Round w/flange threaded stud

Fsc Application Data:

Bilge pump, combat vehicle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A535s0
