Thread Size:

8-32unc-2a all threaded portions

Major Outside Diameter:

0.380 inches

Stud Length:

0.380 inches first threaded stud

Distance From Flange To End:

0.500 inches

Special Features:

Resilient member material: rubber, natural

Material:

Steel

Surface Treatment:

Cadmium

Style Designator:

Round w/flange threaded stud

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A535s0
