Flange Thickness:

0.040 inches

Distance Between Mounting Hole Centers:

1.625 inches

Flange Length:

2.250 inches

Flange Mounting Hole Diameter:

0.130 inches

Height:

0.500 inches

Material:

Steel spring

Surface Treatment:

Cadmium spring

Surface Treatment Specification:

Qq-p-416, type 1, class 1 federal specification single treatment response spring

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A535s0
