Special Features:

The basic material being used is al aly 2024-t3 to military specification qq-a-250/4, and 10133-0401 al aly angle 2024-t4, and 101133-0601 al aly angle 2024-t4. The assembly uses different materials.

Material:

Aluminum alloy 2024

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A531n0

Mil-std (military Standard):

spec.
