**Overall Width:**

2.250 inches

**Overall Length:**

6.250 inches

**End Application:**

B-52 aircraft

**Mounting Facility Quantity:**

3

**Mounting Method:**

Unthreaded hole

**Overall Height:**

0.250 inches

**Product Name:**

Fairlead section, tubular

**Special Features:**

Contains 3 holes when all sections combined

**Color:**

Natural

**Material:**

Plastic phenolic block

**Material Specification:**

Hh-p-256, type 2, grade c assn standard all material responses block

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A03100
