Overall Width:

3.250 inches

Overall Length:

6.250 inches

End Application:

B-52 aircraft

Mounting Facility Quantity:

4

Mounting Method:

Unthreaded hole

Overall Height:

0.250 inches

Product Name:

Fairlead section tubing

Special Features:

Contains 4 holes when all sections combined

Color:

Natural

Material:

Plastic phenolic block

Material Specification:

Hh-p-256, type 2, grade c assn standard all material responses block

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03100
