Overall Width:

1.000 inches

Overall Length:

2.900 inches

End Application:

B-52 aircraft

Mounting Facility Quantity:

3

Mounting Method:

Unthreaded hole

Overall Height:

0.072 inches

Product Name:

Fairlead section, tubing

Special Features:

Contains 3 holes 0.195 in. Diameter

Material:

Aluminum alloy 7075 block

Material Specification:

Qq-a-287 federal specification single material response block

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
