Thread Size:

1/2-13 all threaded portions

Major Outside Diameter:

2.000 inches

Height:

2.120 inches

Material:

Steel nut

Surface Treatment:

Cadmium nut

Surface Treatment Specification:

Qq-p-416, type 2, class 2 federal specification single treatment response nut

Style Designator:

Round int. Threaded flanges

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A535s0
