Unable To Decode:

Unable to decode and unable to decode

Thread Size:

0.500-13 all threaded portions

Major Outside Diameter:

Between 2.090 inches and 2.280 inches

Height:

Between 3.940 inches and 4.060 inches

Material:

Steel nut

Surface Treatment:

Cadmium nut

Surface Treatment Specification:

Qq-p-416, type 2, class 2 federal specification single treatment response nut

Style Designator:

Round int. Threaded flanges

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A535s0
