Groove Width:

Between 0.376 inches and 0.531 inches

Material And Location:

Steel, corrosion resisting

Surface Treatment And Location:

Plastic, polyurethane, mil-c-46168

Special Features:

With nut, t-bolt, trunnion, over center latch handle

Shape:

Round

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A25400
