Grooved Clamp Coupling - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5342-01-359-3565

Groove Width:
Between 0.376 inches and 0.531 inches
Material And Location:
Steel, corrosion resisting
Surface Treatment And Location:
Plastic, polyurethane, mil-c-46168
Special Features:
With nut, t-bolt, trunnion, over center latch handle
Shape:
Round
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:

A25400
