Overall Width:

0.7500 inches

Overall Length:

6.7500 inches

End Application:

Used on aircraft carrier cvan 68, hatches, ballistic-dogs etc-detail sh no . 1

Usage Design:

Right-hand

Mounting Method:

Unthreaded mounting holes

Overall Height:

1.5000 inches

Special Features:

Material specification as per astm b150 alloy no. 2

Material:

Copper alloy

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
