Overall Length:

22.630 inches

Overall Height:

4.000 inches

End Application:

2320-01-097-0260 hemtt (heavy expanded mobility tactical trucks)

Product Name:

Channel, tether bracket

Material:

Steel

Material Specification:

Astm-a656-93, grade 80 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
