Mounting Hole Quantity:

2

Mounting Method:

Bolt

End Application:

Outboard, engine model bf115/bf130; stern brkt.Swvl case

Material And Location:

Zinc anode

Construction:

Solid

Special Features:

Metal, kit, anode, manufacturers name for part

Style Designator:

Hull slab strap core

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A25200
