Corrosion Preventive Anode - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5342-01-508-9368

Mounting Hole Quantity:
2
Mounting Method:
Bolt
End Application:
Outboard, engine model bf115/bf130; stern brkt.Swvl case
Material And Location:
Zinc anode
Construction:
Solid
Special Features:
Metal, kit, anode, manufacturers name for part
Style Designator:
Hull slab strap core
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A25200
