Mounting Hole Quantity:

4

Mounting Method:

Straps

End Application:

Rcr for navss

Construction:

Solid

Product Name:

Anode

Special Features:

Measurements in inches; length: 12.00, width: 6.00, thickness: 1.25; strap feet flush with casting bottom; hull slab steel straps type lhs-10

Weight:

9.1 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A25200
