Corrosion Preventive Anode - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5342-01-586-4258

Mounting Hole Quantity:
4
Mounting Method:
Straps
End Application:
Rcr for navss
Construction:
Solid
Product Name:
Anode
Special Features:
Measurements in inches; length: 12.00, width: 6.00, thickness: 1.25; strap feet flush with casting bottom; hull slab steel straps type
hs-10
Weight:
9.1 pounds
Shelf Life:
N/a
Unit Of Measure:
-
Demilitarization:
No
Fiig:
A25200
