**Mounting Hole Quantity:**

2

**Mounting Method:**

Bolt

**End Application:**

Rcr for navss

**Material And Location:**

Steel anode

**Construction:**

Solid

**Product Name:**

Anode

**Special Features:**

Measurments in inches; length; 12.000, width; 6.000, thickness; 2.500, distance between mounting holes; 6.000, hole dia; 0.63

**Weight:**

15.7 pounds

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A25200
