Corrosion Preventive Anode - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5342-01-586-5931

Mounting Hole Quantity:
2
End Application:
Rcr for navss
Material And Location:
Steel, astm a36 anode
Construction:
Solid
Product Name:
Anode
Special Features:
Heat exchanger slab stlye b, 11.00 inch diam pipe core, type lep 1.000 inch thick
Weight:
8.6 pounds
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A25200
