Mounting Hole Quantity:

2

End Application:

Rcr for navss

Material And Location:

Steel, astm a36 anode

Construction:

Solid

Product Name:

Anode

Special Features:

Heat exchanger slab, style b, 9 inch diam pipe core type lep

Weight:

14.5 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A25200
