Overall Length:

3.000 inches

Overall Width:

0.500 inches

Overall Thickness:

0.250 inches

End Application:

Soft and medium grade vitrified grinding wheel

Abrasive Material:

Boron nitride

Case Mounted:

Not included

Stone Style:

Sharpening

Special Features:

Norbide high performance; truing and dressing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A06900
