Outside Diameter:

50.0 millimeters

Usage Design:

Metal working

Abrasive Material:

Ceramic

Abrasive Disk Type:

Plain flat

Backing Material:

Plastic, polyester fiber

Adhesive Backing:

Not included

Backing Abrasive Coating Type:

Closed

Average Particle Size Designator:

777f

Waterproof Feature:

Included

Product Name:

Cloth disc

Special Features:

Includes grinding aid

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A06900
