End Application:

Aircraft turbojet engines

Abrasive Material:

Apricot pit

Special Features:

Retained 90 percent , 5 percent max.; specific gravity: 1.20 to 1.40; water content: 10 percent by weight max.; toluene doluble: 1.5 pct. Max.

Supplementary Features:

Screen size (mix) 12 through 20

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06900
