Lapping And Grinding Compound - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5350-01-252-8564

Usage Design:
Metal working
Abrasive Material:
Diamond powder
Screen Grit Size Designator:
3000
Compound Weight:
5 grams
Abrasive Lubricant Type:
Water or oil
Special Features:
Industrial strength, golden yellowcomes in syringe
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A06900
