Width:

Between 0.530 inches and 0.550 inches

Length:

Between 0.190 inches and 0.200 inches

Attachment Method:

Slot

Center To Center Distance Between Mounting Holes:

Between 0.372 inches and 0.378 inches

Mounting Hole Quantity:

2

Material Transparency:

Opaque

Special Features:

Mtg holes are elongated and countersunk 82 degrees to 0.178 in. Lg by 0.146 in. W, w/arrow line

Material:

Copper alloy

Surface Treatment:

Enamel

Style Designator:

Plate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
