Attachment Method:

Slotted holes

Criticality Code Justification:

Zzzy

Special Features:

Markings open-shut, dim. 4.500 x 2.000 in., 4 slotted holes for mounting.

Material:

Aluminum dial

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A53010
