Width:

0.406 inches

Gripping Surface Condition:

Smooth

Attachment Method:

Hole

Overall Thickness:

0.406 inches

Material:

Aluminum

Style Designator:

Round with extended bar face

Specification Data:

96906-ms91525 government standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530m0
