Criticality Code Justification:

Zzzy

Special Features:

Style pointed both ends 30 deg; length 1.38 in.; center hole .257 in. Dia.; width .50 in.; thickness .090 in

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A530u0
