End Application:

Arr list code; first pbl; display unit; panel indicating li; display unit, engine; arr list-code display unit, pn: 210001-30

Criticality Code Justification:

Agav

Product Name:

(inavy): knob, aircraft, mater

Special Features:

Surface finish: iridite film per mil-c-5541 and epoxy spray coat gray per fed-std-595, color no. 36231

Material:

Aluminum alloy 6061

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530p0
