Attachment Method:

Pin

Product Name:

Boot, switch, left auxiliary

Special Features:

Modified otto controls part number c-100471, with drilled pin hole and bushing

Color:

Gray, federal standard 595, 36231

Material:

Aluminum alloy

Style Designator:

Bar with double pointer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530m0
